What Is Transfer CUSTOMS?

CUSTOMS is MTSU's New Student Orientation program for transfer students and their families.

What Happens at Transfer CUSTOMS?

A staff of highly trained students along with academic advisors and other University personnel will be available throughout CUSTOMS.

You'll have the opportunity to

- meet for academic advising and help with career planning,
- register for classes,
- learn your way around campus,
- tour the residence halls,
- find out about University Life and Student Services, and
- have your Blue ID made.

How do I qualify and register for the program?

You must fulfill all requirements for admission to MTSU before attending CUSTOMS, including COMPASS placement testing if required.

Once admitted, completely fill out the registration form and mail with your payment or register online at www.mtsu.edu/customs and click on Transfer then Registration.

If paying with a credit card, you must use the online registration method.

Once we receive your registration materials, you will be assigned a CUSTOMS session and will receive a confirmation.

If you are required to take a COMPASS placement test, you must do so before your CUSTOMS sessions.

What is the cost for Transfer CUSTOMS?

The registration fee for transfer students is \$35. The fee for each family member is \$15. The fee includes a lunch voucher. Once the session begins, no refunds will be given.

Should My Family Come?

Family members are welcome to attend. They have many questions and concerns which can best be answered at CUSTOMS. Administrators, faculty, and students will be on hand to talk with your parents, spouse, or other family members in small group sessions and to answer questions throughout the program. Parents will have the opportunity to join the MTSU Parent and Family Association during CUSTOMS. While we encourage the participation of your family, CUSTOMS is not designed for small children. Day care is not available. Remember, there is an additional fee for each family member to attend CUSTOMS.
